ABSTRACT

The document is organized under three broad headings: History, Philosophy, and Biography. The History section is subdivided into the history of (1) sport, (2) physical education, and (3) recreation. The History of Sport section is divided into categories listing documents on modern, medieval, ancient, and preliterate sport. The section on the History of Physical Education is subdivided similarly but does not include a preliterate listing of documents, and the section on the History of Recreation includes only one section--Modern Recreation. The Philosophy section is subdivided listing documents on sport, physical education, and recreation. A list of modern biographies and bibliographies concludes the document. (DMT)
